Please note:

- Payment for test tyres must be received in full before tyres can be supplied. Unused test tyres can be added to WRC event allocation;
- Test tyres order must be received 30 days before collection date;
- Tyres for rallyes will be available at the service park;
- We require payment of 80% of requested tyres (up to 80% of maximum rally allocation) one week before beginning of scrutineering;
- Tyres exceeding above value have to be paid by credit card at the service park before they are collected by the team;
- Pirelli will not guarantee availability of tyres that are not ordered in advance;
- In case not all tyres are used exceeding budget will be returned within 30 days or can be carried over to next event;
- Due to ATA carnet rules, the tyres for Rally Japan are supplied in leasing.

Therefore, all tyres supplied for the event must be returned to Pirelli by **Sunday 14th November at 15:00;**
